

Barbecue - August 2005

- After a shaky start the weather was kind to the Ground Maintenance Team (and spouses) and a delicious BBQ was enjoyed by all. By coincidence it would also have been Margaret Pedrette's Golden Wedding Anniversary and we were all very happy to join her in a glass of bubbly which she very kindly provided.
- The pictures show the workers preparing the barbecue, the whole team enjoying it, and celebrating with Margaret's bubbly and some other things to drink too, by the look of things.
