

Key Stage 1 Easter Service

On Tuesday 28th March all the Key Stage 1 children from Leckhampton School walked to St Peter's Church for a special Easter Service. Paul Wilkinson opened the service by telling the children a story about Badger and his friends. After he had gone, Badger's friends remembered how he had helped them do lots of things. He had helped them to learn new skills which meant they could then do the same for their friends. Paul explained that this was similar to Jesus. When he died all his friends remembered what he had taught them. Paul showed the children some eggs, a chocolate one, a hard boiled one and a stone one which signified to us the stone that was rolled away in the cave where Jesus was laid to rest. The children sang the action song "God, You're Good to Me" and joined in prayers.

The children, Staff and Parents would like to thank Paul and his helpers Matthew and Sarah for such an enjoyable service.
