

CHILDREN'S SERVICE AT GLOUCESTER CATHEDRAL

On Wednesday 20th June the whole of Year 6 at Leckhampton attended a special service at Gloucester Cathedral. The service is organised annually for all the Year 6 leavers from Church of England Primary Schools in the County. The children, along with teachers and some parents travelled to the cathedral by coach.

Leckhampton was particularly honoured this year to be leading the singing for the service, the theme of which was "Standing Firm". The children were entertained by the Rhema Theatre Company who enacted (in rhyme) the story of Shadrach, Meshach and Abednego. The congregation then sang several lovely songs and watched a dance display by Lakefield School. The service closed with prayers.
