

Mr. Webber's Retirement

Mr. Webber retired after 36 years teaching, of which 34 were in Gloucestershire and 18 at Leckhampton. At the informal open evening, Cllr. Robin Macdonald presented him with a long service certificate from Gloucestershire.

At the Leavers' Service, he was given presents including a sat-nav for his car and a splendid guitar-shaped cake. He presented the school with a new House-points trophy and a giant chess set.

The school gave Mr. Webber a tremendous send-off. He performed a lap of honour round the school field in his sports car which had been decorated for the occasion. The children cheered and waved.

Best Wishes David!
