

Visit by Reverend Magdalena Sjöholm

On 6th March, we welcomed Reverend Magdalena to school. Magdalena is the Bishop's chaplain in Gloucester's link Diocese of Västerås in Sweden. Magalena has been spending six weeks here to learn more about parish life in England. Magdalena came to collective worship and showed us some pictures of life in Sweden, including the snow and ice-skating on a frozen lake. She visited all the classes and also came to a governors' committee meeting.

**Magdalena also came to St Peter's Church and preached at the 10.00 service on Sunday.
It was lovely to meet her.**
