

THE YOUTH PROJECT

SOUTH CHELTENHAM CHURCHES YOUTH PROJECT UPDATE:

As we reach the end of our first 'academic year', the youth work still excites, motivates and challenges me. In a meeting the other day, reviewing the year, I was thinking how everything has fallen into place exactly how it should be. I have fully enjoyed the year and Sarah has too. Projects have taken off, new challenges have been faced and we continue to build on those relationships with a wide range of young people. We are both extremely grateful for your support both practically and prayerfully.

Weekly clubs and schools work have started to come to a close, but we are running youth activities over the summer which are open to all the young people that we work with.

It has been a great year with work in five schools, one weekly club and two, fortnightly clubs, lots of 'events' held for and by young people such as the film night, talent show, IGNITE residential, tubing and many more activities that we have all enjoyed.

The talent show was a great evening and the young people all did superbly! (Many thanks to the anon. person who wrote such a lovely review.) Organised by the young people from 'Rock Group' from St Peters, involving the youth from across the five churches.

Many thanks for all your prayers. Please continue to pray over the summer for the young people and the activities.

Please also pray for us leaders and volunteers as we take our breaks so that we are able to feel refreshed and re-motivated when it all starts up again in September.

We are still in need of a few volunteers – if you wish to help, in whatever way you can and feel comfortable – you are more than welcome to join us.

Praise God that he has worked and continues to work in the lives of young people. To him be all the thanks and praise.
