

The 10am Family Eucharist Harvest Festival Service at St Peter's Church on 3rd October 2010

Part of the theme of the service was based upon
'Giving Poverty the Boot'

Inviting the children to take part

Will you take part too?

Now this is what we are going to do !

Holding up the letters to spell HARVEST

But if we change them round, we can get STARVE

Hold the letters up for the congregation to see !

The children sing about the harvest and some people still starving and poverty led by the little girl making gestures to the words

The servers assisting Paul to prepare the Eucharist
